## STAFF APPLICATION FORM

The purpose of the Strasbourg Bible Camp is to evangelize, build Christian character, and to train Christian leaders. We are seeking staff who have committed their lives to Jesus Christ and want to learn more about God through serving and relating to others. Each position is an opportunity to reflect the life of Jesus Christ as you come into contact with campers and other staff. This application form is designed to help us appraise you for this important task. Please pray about this application - it is not a summer vacation - the work is difficult but also very rewarding. We are not looking for perfect people, but rather honest Christians who are growing in Christ. All of the information requested below will be kept strictly confidential. Please fill out all areas of the application. Thank you.
